CologneOFF 2011 - videoart in a global context

CologneOFF VI – Let's Celebrate - 5 years Cologne International Videoart Festival

CologneOFF is based on a successful concept as a festival context without a static festival location. Since its foundation in 2006, CologneOFF is conceptionally based in Internet, but conquered from this virtual place the physical world which engaged programs of experimental film and video art. Some of the most successful young film & video artists started their career on CologneOFF before they became successful.

As a corporate part of CologneOFF 2011, the 6th festival edition includes an international jury consisting of Margarida Paiva (Oslo Screen Festival Norway), Gioula Papadopoulou (Videoart Festival Miden Greece), Macu Moran (Video Art World, Spain) Giorgio Fedeli (Visual Container /Italy), Jonas Nilsson/Eva Olsson (Art Video Screening & Orebro International Videoart Festival/Sweden), Mohammed Allam (Medrar Video Festival/ Egypt), Tamas Gabeli (Budapest International Shortfilm Festival/Hungary) which made the program selections.
