-----  
Warsaw Jewish Film Festival - <http://www.wjff.pl>  
is featuring in its 2012 festival edition - starting on 25 October -  
a selection from - SFC - Shoah Film Collection -  
which is also completely streaming online on <http://dts.engad.org>

a worldwide unique initiative by

Wilfried Agricola de Cologne, director of Cologne Art & Moving Images Awards - and part of the international jury of Warsaw Jewish Film Festival, - addressed to young artists and filmmakers generations to deal with the topic of Holocaust & collective trauma by using new technologies and contemporary approaches in art. Founded in 2010, SFC - Shoah Film Collection is including currently 50 outstanding experimental films, videoart & documentaries.

In 2012, a special event structure has been created, entitled: "A Virtual Memorial - Commemorative Interventions" in order to place "SFC - Shoah Film Collection" in the context of complementary audience related interventions like lectures, workshops, symposium, artists talks, discussions etc.

After "A Virtual Memorial Riga 2012"  
<http://riga2012.a-virtual-memorial.org>  
a collaboration with Riga Ghetto & Latvian Holocaust Museum
