

VIP – VideoChannel Interview Project

<http://videochannel.newmediafest.org/blog/?cat=3>

Dear artists

participating in VideoChannel or one of the Cinematheque projects,
you are invited to do an interview and answer 10 questions.

Its purpose is to personalize information and give the audience important background information. The interviews form also the basis for knitting the net of linkages closer within VideoChannel, but also between the different project environments of [NewMediaArtProjectNetwork]||:cologne.

There already some interviews online on

<http://videochannel.newmediafest.org/blog/?cat=3>

Interview:10 questions

1. Tell me something about your life and the educational background
2. When, how and why started you filming?
3. What kind of subjects have your films?
4. How do you develop your films, do you follow certain principles, styles etc?
5. Tell me something about the technical equipment you use.
6. What are the chances of new media for the genre film/video in general and you personally?
7. How do you finance your films?
8. Do you work individually as a video artist/film maker or do you work in a team? if you have experience in both, what is the difference, what do you prefer?
9. Who or what has a lasting influence on your film/video making?
10. What are your future plans or dreams as a film/video maker?

out of competition:

Add a brief bio of yours (no longer than 300 words in English) and a portrait photo (gif, jpg or png file extension, not larger than 100kb)

Can works of yours viewed online besides on VideoChannel? Where?

List some links & resources

Please send the answers of the interview as plain email text, RTF (Rich Text File format) or WORD (.doc) . If you send the interview as an attachment in one of these file formats, please rename the file like that [VIP_your_name]
